

## **Accounting Technology**

Associate in Science | Code: 25022 | 60 credits

**CIP (1552030201)**

**Effective Term: Fall 2024 (2247)**

The Accounting Technology Associate in Science (A.S.) program offers opportunities to earn multiple credentials that help students find jobs quickly while advancing both their academic and professional careers. The A.S. in Accounting Technology allows students to gain valuable experience in this in-demand field. Graduates of the Accounting program develop a strong, competitive accounting foundation. Accounting and bookkeeping are essential functions of any business. Experienced accounting professionals have a high degree of job stability and are often top-tier salary earners. This A.S. allows for a seamless transition into the [Bachelor of Applied Science in Supervision and Management with a Concentration in Accounting](#).
